

### **Deer Creek High School Summer Basketball**

The Deer Creek High School Summer Basketball program is an opportunity for our high school athletes to continue to develop their individual skill set while competing within the framework of our team philosophy. Athletes will participate in various team camps and/or summer leagues, strength and conditioning sessions, open gym workouts and receive a summer basketball t-shirt. This program is available to athletes that have tried out and made the summer basketball team.

\*Physical - Athletes need to submit a physical to the coaching staff before participating. The high school is offering a sports physical night in the PAAC on May 21st at a cost of \$25. Copies of the new OSSAA physical form can be found on our website at [www.dcantlerbasketball.com](http://www.dcantlerbasketball.com)

\*Cost - the cost to participate in the summer basketball program is \$275.

\*\*\*If you are in football and plan on attending football strength and conditioning your cost for summer basketball is \$200. If you did not make the summer team but wish to participate in weights and open gym the cost is \$75. Payments can be made in cash or checks payable to DC3C Basketball. Please have your summer payment turned in by May 28th.

Transportation - With the exception of the University of Tulsa Team Camp, all other transportation to events this summer will be up to the student or parent.

Vacations/Schedule Conflicts - the schedule presented is what the athletes have available to participate in. We understand there might be family obligations as well as conflicts if an athlete participates in another activity. If your athlete has a conflict, we just ask that communication with the staff is made prior to dates missed so we can make any necessary arrangements from our end.

Summer Uniform - we will check out a summer jersey to players prior to the first summer league game. Replacement cost is \$75.

DC Basketball Camps Week -

Our returning JV and Varsity players will work our elementary and junior high skills camp. The elementary camp is June 3-5 from 9-11:30am. The junior high camp will be June 3-5 from 1-4pm. Our incoming 9th grade players that made the summer team will attend the junior high camp but do not need to register for it (registering and paying for 2024 DCHS Boys Summer Basketball Team Program as described above includes our freshmen to participate in the junior high camp). Besides skill development, our junior high camp will provide an opportunity to install offensive and defensive principles for summer league.
